## St. Charles City-County

### LIBRARY FOUNDATION

**Our Mission:** *To ensure excellent library programs, services and facilities for all people by developing and encouraging community investment and participation, today and tomorrow.*

With a focus on community outreach, early literacy programming and lifelong learning, the Library Foundation builds upon a solid tradition of service to the community, while planning for the future. An investment in the Library Foundation is an investment in St. Charles County, and one that we will all benefit from for generations.

**Proceeds benefit the St. Charles City-County Library Foundation's Take 20 and Read Campaign for Literacy. We truly believe that through the library, anything is possible. Tomorrow's creative leaders are just a book away.**

The Library Foundation has programs to support our community at every age and stage of life.  
Your gift of Art Uncorked sponsorship helps us keep these programs strong and growing.
