

THE FRIENDS OF THE ST. CHARLES CITY-COUNTY LIBRARY help fund programs, services and enhanced amenities of the St. Charles City-County Library District with the intent to expand the educational and cultural development of the community.

Help your community & be among friends.

friends

The Friends of the Library are a group of supporters who choose to invest in the future of St. Charles County through the Library District. The Friends make it possible to meet increased demands placed on the Library District due to the growing population. In addition to membership dues, funds are raised through our annual book fairs and merchandise sold through our Books-N-More store. All of the money raised goes directly to the St. Charles City-County Library District to provide programs, services and enhanced amenities.
