On behalf of the St. Charles City-County Library Foundation, we would like to thank you for your interest in our 19th Annual Trivia Challenge. We hope you were able to join us for our Library Foundation Trivia including challenging questions, silent auction, and many fun games and raffles. We had over 680 people in attendance at this year’s event. Attendee support helped us raise more than $30,300 through the Trivia Challenge for the Library’s Outreach programs.

Through our literacy outreach programs, we have seen many lives changed for the better. Your participation in our fundraiser allows us to fund early literacy kits for parents of pre-readers through Ready to Read and Grow Your Reader, further our Library to You senior and homebound program, encourage reading through the Take 20 and Read campaign, and promote literacy and wellness through the Storybook Walk. Thank you for joining our commitment to promoting lifelong learning and improving literacy for the entire county.

We had a two-way tie for first place with a score of 102 out of 110 points. Through the tie-breaker of guessing their team final score before the competition began, the team at table 14 was named our 2020 Trivia Challenge winners and received a prize of $250 along with bragging rights and table 63 slid into the second place position winning $125. The Library staff had their own competition, the "Smartest Branch" contest. Our Spencer Road branch claimed the trophy with team captain Johnathan this year with a score of 101 points and will receive a traveling trophy. Although Johnathan gets to claim the trophy this year, the
participants were from several different branches. (I guess they picked the smarties from each branch to win!) Congratulations to these trivia enthusiasts for an impressive showing.

We want to give a huge shout out to our trivia volunteers!! We just cannot say enough about the outstanding support our volunteers give to our events. Please join us in thanking each of them for their help with our trivia night. Our volunteers do an amazing job of making our events run smoothly.

The continued support of our community partners makes the Trivia Challenge possible and allows us to support the Library. Thanks to these organizations for their sponsorship of the Library Foundation's events.
